Due to the social nature of our Kennel, there are some inherent risks. These risks may include, but are not limited to transfer of communicable diseases such as Canine Papilloma virus (Puppy Warts), Canine Cough and Feline Upper Respiratory Infection. Injuries may include, but are not limited to broken nails, sore feet, puncture wounds, abrasions and cuts. These injuries are generally benign and can usually be managed by our staff or at home. In some cases, veterinary care may be required. Owner specifically represents to Kennel that Pet has not been exposed to rabies or distemper within a thirty-day period prior to boarding. Kennel requires proof of current Rabies, Distemper and Bordetella vaccinations. We require a Bordetella vaccination every six (6) months. The Bordetella vaccine is not 100% effective. It is recommended that it be given to your dog at least two (2) weeks prior to Pet's arrival date to increase efficacy. Kennel makes no guarantees in regards to the Bordetella vaccine. All pets are checked for external parasites (fleas/ticks) upon entry to the facility. If any external parasites are found, they will be treated accordingly and Owner will be responsible for those expenses.

If Pet becomes ill or if Pet's behavior is endangering itself, humans, or other animals, Kennel, in its sole discretion, may engage the services of a veterinarian. All attempts will be made to contact the Owner of the Pet first; however, in the event of an extreme emergency, the well being of the Pet comes first. Medication will be administered as necessary under the direction of a veterinarian. The undersigned Owner hereby gives the veterinarian complete authority to treat Pet in whatever manner deemed necessary. Owner will be responsible for all veterinary charges upon release of the Pet. Owner also gives full authority for the treating veterinarian and their associates to discuss with Kennel any aspect of any illness or injury that the Kennel has presented for treatment.
